Midterms:
There will be three midterms. If you have work conflicts, athletics, etc., you must make alternative arrangements at least two days prior to the scheduled exam date to allow for preparation of another exam. I will determine whether or not a legitimate conflict exists. Other exams, papers, or social events are not considered conflicts. You are expected to manage your time. **A PICTURE ID IS REQUIRED FOR ALL EXAMS**

Final Exam:

This is a comprehensive exam covering all nine chapters we have studied this quarter. It is not an optional exam **and must be taken at the scheduled time.**
Other:

**Quizzes - 40 points**
Quizzes will not be announced. In-class quizzes will be closed book and closed notes. There will be no makeup for missed quizzes. The quizzes will range in value from 7 to 10 points. There will be more than 40 points available throughout the quarter. Quizzes will be in-class only.

**Homework - 40 points**
Homework will be both on-line and manually done. The online HW will be graded by the CengageNow. Manual homework will be accepted only on the assigned day during the first 15 minutes of class. **You must turn in a photocopy of your original homework.** Each online and each chapter’s homework assignment will be worth 5 points or 10 maximum points of homework per chapter. There will be no credit for partially completed work. Again, there will be more than 40 points available to make your total of 40 points.

**Project – 20 points**
There will be one group project assignment due. You will be graded on your cooperation within the group and on the successful completion of the project.

Important items:

**Quizzes – Extra Credit**
The on-line quizzes will be due the same day the chapter is assigned to be read and are extra credit. There will be 9 quizzes and each will be worth 5 points each for a maximum of 40 possible points available in extra credit.

**Attendance:**
Your class attendance is an integral part of the learning cycle. It is your choice as an adult to attend class. I will only drop students who have not attended class during the first day. It is your responsibility to handle your scholastic life yourself. If you decide to drop this class, please do so in a timely manner. I cannot drop anyone after the second week for any reason.

**Personal integrity:**
I expect all students to do their own work unless otherwise asked by the instructor. If there is a problem, the student/students will be sent directly to the Dean of Student Services and all points received so far in that area will be forfeited. If the problem concerns more than one student, all students involved will be disciplined. If you have any questions, please consult the college schedule under “Academic Integrity”. Please, let us have no problems in this area.
