Required Texts:  

The Power of Selling by Kimberly K. Richmond  
This book is available online for free at:  
http://www.saylor.org/books/  
The texts are listed alphabetically. Choose from PDF or DOCx downloads.  

OR  

You may order a hardcopy printed version of the text at:  
https://students.flatworldknowledge.com/course/2406911  

Course Description:  

This course applies business and behavioral sciences in a culturally diverse selling environment. We will cover a variety of topics in relationship strategy, buyer behavior, effective communication, prospecting and qualifying customers, presentation strategy, handling objections, and formulating a value proposition. Students will learn about factors that influence buyer’s behavior and what drives the ultimate buying decision.  

Student Learning Objectives (SLOs):  

1. To communicate not only details but benefits of an idea, product or service.  
2. To negotiate in a way that allows resolution of disagreements based on mutual interests, not win-lose positions.  
3. Be able to explain how business-to-business sales transactions are constructed and executed.  

Course Requirements:  

Participation: Students have an opportunity to earn 200 points for participation in the class discussion forums. Students will be given points for their quality of posts in terms of contribution to the overall discussion and learning process. They may ask questions, start new topics, answer questions, suggest or mention pertinent material (such as news articles, blogs, websites, photos, videos, and/or books). Students will be graded on the quality of posts and regular engagement in discussions…not simply volume of posts that are irrelevant or frivolous. Discussion posts must
be submitted during the week they are assigned to receive credit. If you miss a week, move onto the next. Posts submitted after the week is over will not be accepted.

**Quizzes:** There will be five equally weighted quizzes. Each one will cover material in the assigned reading as well as topics covered in the Powerpoint slides. These quizzes may include, but are not limited to, multiple choice, matching, True/False, short and medium answer questions. The quiz will be available to students starting on Monday morning and must be completed by 11 PM Friday. YOU MUST COMPLETE THE QUIZZES BY 11 PM FRIDAY OF THE WEEK THEY ARE ASSIGNED. The quizzes may only be taken once. There will be no opportunities to retake an exam or take one after its due date. However, you will be allowed to drop your lowest score on a quiz. If you miss a quiz, you have an opportunity to drop it from your grade.

**Assignments:** Students are expected to read all chapters from the assigned text prior to viewing the Powerpoint slides or completing assignments. There will be 10 assignments due throughout the course. Each assignment is worth 20 points. They must be submitted by the due date and time (Friday 11 PM). There will be no assignments accepted after the due date and time.

**Final Exam:** The final exam will be the same format as the quizzes but will be comprehensive. All chapters (1 thru 13) will be covered in the final exam. The final exam will be available to students starting on Thursday morning (August 7th) and must be completed by 11 PM that evening. YOU MUST COMPLETE THE FINAL EXAM BY 11 PM, WEDNESDAY, AUGUST 5TH. The final exam may only be taken once.

**Grading:**

**Discussion/Participation:** 200 pts.

**Quizzes:** 400 pts. (100 pts. each)

**Assignments:** 200 pts.

**Final Exam:** 300 pts.

**Points associated with letter grades**

**Classroom Policies:**

**Make-up Quizzes and Extensions:** There will be no make-ups for quizzes or final exam. There will be no extensions for assignments.
**First Week of Attendance:** Students must be logged in and active with the reading, assignments, forums and Powerpoint slides during the first day of the course. If a student neglects to sign in and engage in the course during the first day of the course and does not contact the instructor they may be dropped.

**Note to Students with Disabilities:** If you have a disability-related need for reasonable academic accommodations or services in this course, provide Emanuele Cappello with a Test Accommodation Verification Form (also known as a TAV form) from Disability Support Services (DSS) or the Educational Diagnostic Center (EDC). Students are expected to give five days notice of the need for accommodations. Students with disabilities can obtain a TAV form from their DSS counselor (864-8753 DSS main number) or EDC advisor (864-8839 EDC main number).

**Academic Honesty:** Communication of any kind during quizzes or exams between students or others is not allowed and is considered cheating. This includes any verbal, written or other communication. If a student uses any kind of notes, written or other during a quiz when permission is not strictly granted ahead of time, the student will be considered cheating. All quizzes and exams are to be the work of the individual student only. If a student is observed cheating on a quiz, they will receive a grade of zero on that assignment and be reported to DeAnza Administration. If a student is caught cheating on the final exam, they will automatically receive a grade of F for the course.

**Need help?** Meet with tutors and attend workshops in the Student Success Center: [http://www.deanza.edu/studentsuccess](http://www.deanza.edu/studentsuccess).

**New this quarter**...free online tutoring available to all De Anza students! Just login to MyPortal, go to the Students tab, and find the Smarthinking link. You can work with a tutor live (hours vary by subject) or post a question or piece of writing for a response. For more information, go to [http://deanza.edu/studentsuccess/onlinetutoring.html](http://deanza.edu/studentsuccess/onlinetutoring.html)
