Project Update: Annual Report

Reported progress toward 4 goals of:

1. **Increasing Access to college**
   - New Student & Parent Open House 2009
   - Summer Bridge 2009

2. **Increasing Persistence** (fall to winter)
   - New Student Intake Protocol 2009-2010
   - Expanded FYE 2009

3. **Improving Readiness for college**
   - Expanded FYE 2009
   - New LinC classes 2009 (LART 211, EWRT1A+ELIT/ICS 24)

4. **Increasing Course Success rate**
   - Culturally specific learning communities 2009 (LART 211, EWRT1A+ELIT/ICS 24)
   - Summer Bridge 2009
   - Expanded FYE 2009
Project Update: Budget & Evaluation

Budget

• Well within budget due to timing of personnel hiring, our largest expense
  • Priority next 6 months = sustainability and institutional strengthening efforts

Evaluation (Internal and External)

• Positive results
• See individual activity updates for figures
Curriculum: Results

LART 211 (spring 2009) results

- Overall course success rate: 92% (95% among targeted groups)
  - higher than the other 2 sections of the same course; and higher than overall college success rate of 77% (2006)
- Enrolled 25 students, 20 from targeted AAPI groups

Did you know?

After taking this class:

- 70% of students were inspired to take other classes on subjects related to Asian Americans/Pacific Islanders
- 35% were inspired to choose a particular profession or career path
Curriculum: Results

APALI Leadership Program 2009 results

- Overall course success rate: 100%
- Enrolled 45 students; 24 from targeted AAPI groups

Did you know?

85% of the 39 students surveyed reported having more successful and satisfying social interactions as a result of this class
Curriculum: Sustainability

LinC Classes

• Are being documented so that they can serve as examples of learning communities designed around targeted populations and culturally specific course content

LinC Institute

• Three-day workshop during summer 2010
• Findings from IMPACT AAPI LinC classes will be represented

New Pacific Islander Class (ICS 90)

• Has been approved by curriculum committee
• Can be offered starting in 2010-2011
Student Success: Results

New Student & Parents Open House 2009 Results

**Grant goal:** outreach to targeted AAPI students and enroll 40-50 in the Summer Bridge 2009

Summer Bridge 2009 Results

- Enrolled 105 students, 53 from targeted AAPI groups who were enrolled due to Open House outreach
- Non-Open House students included 24 AAPIs, for 77 AAPI students total
- Overall Course Success rate: 98% (100% for targeted AAPIs)

**Did you know?**

Students reported **high** gains in understanding how to choose courses.

Students reported **low** gains in learning how to communicate with people of other cultures, because they already had a high level of experience in communicating with people of other cultures, having grown-up in multi-cultural communities.
Student Success: Sustainability

Preparation for Summer Bridge 2010

• Targeted students will continue on to FYE into 2010-11 academic year

De Anza College will continue Summer Bridge and FYE, outreaching to and enrolling targeted AAPI students even after grant ends.
Staff Development

Grant goal: 5 staff devt sessions in Year 1 + 5 in Year 2 = 10 total

2008-2009

5 campus-wide sessions
2 smaller focus groups

2009-2010

- Veteranos panel
- Instructor support group (2 so far, 1 upcoming, 2 more in spring)
- Pacific Islander workshop series (spring 2010)

- Exploring partnership with office of Staff & Organizational Development
Institutional Strengthening

Partnership with De Anza Library to create an IMPACT AAPI collection of books and videos

MCC Student Resource Center

California History Center (CHC) Oral History Project & Lab
Future Grant Opportunity

• De Anza eligible
• Five-year Cooperative Title III grant ($500,000/yr)
• Need to partner with another institution, such as Foothill College
• Colleges would identify shared problems to address
• Opportunity to extend institutional efforts to support basic skills development and equity goals
• Grant Proposal due May 2010
Q&A Discussion

In relation to IMPACT AAPI, what kinds of initiatives or capacity-building efforts would you like to see happening at De Anza?
